

Here is the online link to complete Indoor Player Card Registration:

<http://tn-tusc.sportsaffinity.com>

Registration Steps:

- 1) Select the "Registration" button in upper right corner of the page.
- 2) Under "Select your team" drop down list, choose "TUSC Girls Indoor" or "TUSC Boys Indoor" near the bottom of the list.
- 3) Follow the instructions on the right side to login (using previous TUSC account) or create an account and then complete the registration process.
- 4) Registration fee will be \$15 plus convenience fee.

PLEASE NOTE:

IF player is an active member of another club, we recommend not using this online link. Please have these players complete a paper registration which will be handled with special care.

TN United registrar, Mike Hauck, will publish updated lists of online registrations to the Google Drive folder.

The Girls and Boys "Teams" on the registration site will allow players from U9 through U19 to register. It will appear that everyone is joining a U19 team but this is necessary to avoid having multiple choices for individual indoor teams per age group.
